

Heat Pump/Geo Thermal Credit Claim Form

Name _____ Account Number _____

Phone Number: (Home) _____ (Work) _____

In consideration of receiving a \$300 credit for installation of an air source or geothermal heat pump system, the undersigned cooperative member agrees to abide by all the terms and conditions of this agreement. All qualifications and minimum standards must be adhered to as stated within the Air Source Heat Pump and Geothermal Heat Pump Program. Application for credit must be made within 60 days following the date of installation or purchase of spec home.

Type of Unit installed: _____ Air source heat pump *Check with REMC to ensure your transformer
 _____ Geothermal heat pump is accurately sized for additional load.

The unit was installed to: _____ Replace existing fossil fuel furnace ___ natural gas ___ propane
 _____ oil _____ wood
 _____ New construction
 _____ Replace existing non-serviceable heating/cooling system
 _____ Replace an air conditioning unit with heat pump

Please provide the following documentation:

- 1. This Credit Claim Form completed and signed by member.***
- 2. Heat loss/gain calculations including economic balance point must be performed prior to installation and be submitted with this claim form.***
- 3. Copy of AHRI certificate***

Your signature on this form allows LaGrange County REMC to contact your dealer/installer and releases them from any liability for giving us information regarding your system. LaGrange County REMC shall have the option to inspect the installation of the heat pump/geothermal system.

If the requirements are not met, the credit will be void and charged back to the member if previously issued.

I have read and understand the terms and conditions for the heat pump incentive program.
